

ASP 2021 Summer Calendar

Fullgroup Zoom Call – June 17, 7 pm – Link on volunteer portal

This is our last full group prep zoom. We'll be going over detailed plans for our week, providing some things to think about, and answering questions. Everyone should attend!

Can Drive – June 19, 8 am - 1 pm – FUMC Can Shed

Yes, the shed is full again! So, it's time to empty it out, sort everything and load the truck. Tell your friends and neighbors to bring their empties down on drive day, and we'll unload their cars for them. Deposit cans and bottles may also be dropped off at the shed any time, 24/7, but please wait until after the drive. Earn hours and dollars towards your totals!

Commissioning – June 20, 9 am at FUMC, 11 am at St Luke's

We serve in the name of First United Methodist and St Luke the Evangelist churches. Our group only exists through the support of those congregations. At services this Sunday, we will be officially recognized and sent forth for our week of service. Please choose (at least) one to attend.

Walk-a-Thon – June 20, noon – starts/ends at St Luke's

Since we couldn't do the Rock-a-Thon this year, we're trying something new – a 10K Walk-a-Thon around Westborough to raise money for our week of service. We hope that everyone, whether you need hours and dollars or not, will participate. Besides getting sponsors from amongst friends and family, walkers are encouraged to seek sponsors at FUMC after the June 20 services. We will also have a couple of opportunities to speak during the service, to explain (for hours credit!) the ASP story and why it's important.

Online Silent Auction – open for bids June 20-27

Those of you who were signed up for ASP in 2020 may remember that we had a Social and Silent Auction coming up when everything shut down. We still have some of the items that would have been in that auction, and we're putting them on line. Please help us reach as large an audience as possible! Half of the amount bid may be directed to a particular youth.

Last Fundraising Checkpoint – June 27

This is the target for reaching your 6 hour/\$280 checkpoint. If you think you're going to have a problem, please reach out before this date, and we can help! We also need your release form by this date.

Service Week – July 11-16

This is it! Our week of service begins with a full group meeting at FUMC on Sunday at 7 pm. Then, the next morning, we gather in the FUMC lot at 7:30 am to get started serving. Groups are expected to return to the FUMC lot each day around 5 pm, give or take. We will close the week on Friday night, with a final gathering and dinner at FUMC from 6:00-8:00 pm.
